RESUSCITATED

Welcome to 2021

"A WOMAN'S EXPERIENCE"

DEAR AMAZING LOVE RESUSCITATOR,

Congratulations! You have entered the 5th Annual Life Altering Woman's Experience -- a loving, safe, joyous zone, saturated with sisterhood and love resuscitated.

It is with copious elation that we celebrate in unity as chains are broken, hearts become free, and The Joy of The Lord enters the heart of each queen in attendance.

As in the former years, I trust that the knowledge you gain, the moments of bond in sisterhood, the private tears of release and the promise of a brighter future will find their way into your heart and transform your life forever.

A WOMAN OF GRACE, POISE & EXCELLENCE

I also promise that this will be one of the most memorable times of your life because you made a "choice" to invest in your future. No more chains, no more pain, but a cocoon-free existence, enjoying a life free from the past, but willingly embracing your phenomenal present and future.

Once again, I congratulate you! Your **RESUSCITATED LOVE JOURNEY** has officially taken flight, and I pray you capture every moment, embrace every experience and challenge yourself to enjoying life in a whole new way.

Enjoy, meet other phenomenal women, and walk away owning your new sense of purpose, destiny, forgiveness and **RESUSCITATED LOVE!**

Always remember, "your life will never be the same again."

Loving Life, Love & Happiness,
Pastor Ylawnda Peebles, D.D., D.H.L.

She also wrote and published a children's book entitled, "God Loves Me Just the Way I Am", which is in its 3rd printing. She assists hundreds of women on their journey to health and wholeness through her efforts with her Transformation Squad, Kingdom Queen Organization, and the YP Rise Up Gratitude Journey, a live show on Facebook. Ylawnda co-hosts many ministry affairs such as the "Marry Me Again Experience" Marriage Events, "Touching the Hearts of People" telecast aired on the Impact Network, the Word of the Day aired on both Praise 104.1 and 105.1 WAVA stations in the Washington, DC Metropolitan Area.

WELCOME FROM BISHOP

To all my sisters and daughters who have embraced this journey to walking in your supernatural power, spiritual and emotional health. Simply put, over the next several days, expect the spectacular! Your participation in this incredible experience has been designed by God to open up new levels of anointing in your life. It will also give you the strength to fulfill your purpose and even ignite a grace within your family. For the last five years, this experience has brought about tremendous healing to women across the globe. We have seen new bonds, insightful perspectives and spiritual strength enhance the lives of dynamic ladies like yourself.

My precious wife (Pastor Ylawnda), along with this incredible team of ladies have been interceding and making preparation for your arrival. Through this experience you will be ushered into a life of wholeness, peace and freedom, which you deserve.

Let me be the first to congratulate you on arriving at this fresh new season of victory.

Luke 1:45 (AMP)

45 And blessed (spiritually fortunate and favored by God) is she who believed and confidently trusted that there would be a fulfillment of the things that were spoken to her (by the angel sent) from the Lord!
