## **COURSE DESCRIPTION**

This course is the study of God's Authority as it relates from the spiritual to the earthly realms. All authority comes from God. This semester, we will examine the necessity of laws that govern our response to God' authority and the responsibility that we have to both represent and be subject to that authority.

## **COURSE INTRODUCTION**

We will be reading from the text – Spiritual Protocol by Dr. E. Bernard Jordan

This semester will cover chapters 1 through 11 of the Spiritual Protocol texts. We will include a few team- building and ice breaker exercises, to further aid in our understanding of why this information is important to our lives.

## **CLASS ASSIGNMENTS**

**Assignments:**

**Pre-read the text prior to class.**

## **COURSE OUTCOMES**

After completing this course, you should be able to:

- Have a more practical understanding of God's authority and the unchanging laws that govern that authority.
- Develop an appreciation of the importance of subjection to God's delegated authorities, and how to identify the same.
- Understand the power of order in The Body of Christ.
- Obtain a clear vision of Dominion and Rest in The Lord.
